Thank you for taking the steps to register your dog with the Town of Secaucus. Due to state regulation, a current license and tag cannot be provided until additional information is received. Pursuant to N.J.A.C. 8:23A-4.1 Requirements for Licensure, a dog owner must provide evidence that the dog to be licensed and registered must be inoculated against rabies with a vaccine with immunity that extends throughout 10 of the 12 months of licensing period. In the Town of Secaucus, the licensing period is January 1 through December 31 of each calendar year. For the current 2017 period, all rabies vaccinations must extend through October 31, 2017. Please provide proof of a rabies vaccine extending through October 31, 2017 or later, or a certification of exemption from your veterinarian pursuant to N.J.A.C. 8:23A-4.3. Upon provision of such and provision of the application and fee, your dog license and tag will be provided.

If your dog/cat needs a rabies vaccination, you will receive a voucher from the Health Department that will entitle you to receive the vaccine from the Secaucus Animal Hospital or Secaucus Laser Surgery Center, free of charge.

For the safety of your pet, register them for licensing and a collar tag every year in January and make sure that their rabies vaccination is up to date.

All pet licenses, registration tags, and renewals thereof shall expire on the last day of December of each year.

Contact the Health Department with any questions that you have regarding the licensing process.
