

American Medicine Chest Challenge!

Take part in the “American Medicine Chest Challenge” and dispose of your unused, unwanted, or expired prescription drugs. According to the AMCC, “70% of people who abuse prescription pain relievers indicated they got them from friends or relatives” and “...9 million people use prescription medication for non-medical uses.” Keep our children and community safe. The drop off box, located in front of the police station in the Secaucus town hall, is accessible 24 hours a day. Drop off your prescriptions today!
