

2016 Arbor Day Tree Appreciation Campaign!

Secaucus is proud to be a Tree City USA participant since 1993.

This past year's drought has caused many of Secaucus' trees to die and has stressed and damaged many more.

Please donate to help us replace our trees!

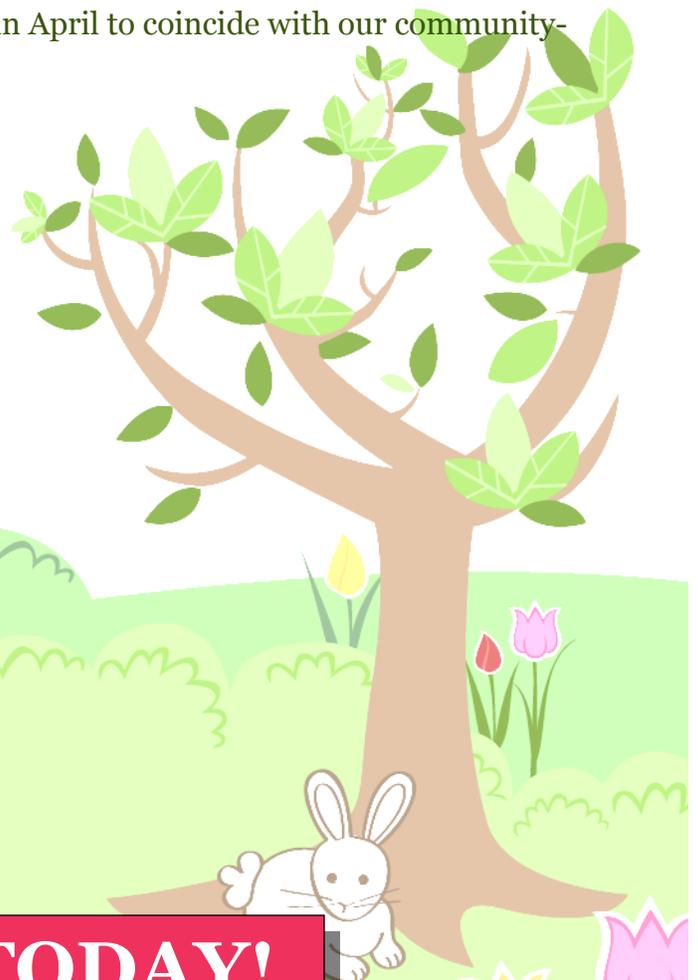

Our goal is to replace 100 trees by Arbor Day!

At \$200/tree we need to raise \$20,000 to reach our goal.

We are asking our local business & resident community to help us in our effort. We are hoping to plant 100 new trees by the first week in April to coincide with our community-wide Arbor Day celebration on April 29, 2016.

Why Are Trees Important?

- Trees produce oxygen
- Trees clean the soil
- Trees control noise pollution
- Trees slow storm water runoff
- Trees clean the air
- Trees shade and cool
- Trees act as windbreaks
- Trees fight soil erosion
- Trees increase property values

DONATE TODAY!

Please make check payable to the Town of Secaucus.

Put "Arbor Day Campaign" in the memo line and mail to:

Secaucus Town Hall, Amanda Nesheiwat., 1203 Paterson Plank Road, Secaucus, NJ 07094
