

The Secaucus Environmental Department Presents 

GREEN SUMMER SPEAKERS in the MEDITATION GARDEN!

Every Wednesday in July! 7:00PM — 8:00PM

-  **July 6th** **COMPOSTING:** *Learn how to compost with **Donna LaStelle**. Composting, like recycling, is an easy way to ensure a sustainable future while also giving your plants a boost!*
-  **July 13th** **MEADOWLANDS:** *Secaucus lies in the heart of the Meadowlands. But what exactly does that mean? Come hear **Courtney Lichtenberger** explain what makes the meadowlands a meadowland.*
-  **July 20th** **BEEES:** *Bee populations have dropped dramatically! Meet **Jack Daly** and learn about the benefits of bees and why we need to protect them!*
-  **July 27th** **GREEN LAWNS:** *Treat your lawn as an eco-system. **Gray Russell** will inform us on how to have a beautiful lawn without using hazardous chemicals.*
