Hudson County is grateful to the men and women who served and continue to serve our great nation through its armed forces. As a small token of appreciation, County Clerk, Barbara A. Netchert, is offering our veterans a courtesy Veteran I.D. Card.

The card affords participating businesses in the county an opportunity to say "thank you" to our military veterans by extending them a special discount on various goods and services. The list of participating merchants includes everything from restaurants and recreation to vision care and retail, but the one thing they have in common is their desire to give a little something back to the brave men and women who have given them so much.

The veteran ID card is the size of a standard credit card and fits neatly into one's wallet. It's a convenient way for veterans to show proof of their military status and eliminates the need to carry around valuable discharge papers.

Veterans who live in Hudson County can bring their legible long form DD214 and proof of Hudson County residency in order to qualify and receive their Veteran's ID card.

A sincere "Thank You" to all of our veterans! Please know that your community appreciates your service. All Hudson County Veterans are welcome!

*Light refreshments will be served.*
