

## JERRY PERRICONE FOUNDATION

The Jerry Perricone Foundation was established in 2012 as a non-profit corporation\* to honor the memory of our dear friend Jerry Perricone. Jerry will always be remembered for his devotion to his family and friends, his smile and his sense of humor. He will also be remembered for his devotion to his community, especially Hudson County and his adopted home town of Secaucus.

The Foundation raises money each year to support the causes and organizations that Jerry felt so strongly about. In its first two years, the money raised has funded \$31,500 in scholarships for deserving Secaucus High School students, purchased a scorer's table and a memorial tree at Buchmuller Park, and provided \$4,000 for apartment renovations for the Wounded Warrior Project, all in Jerry's name.

The annual golf outing has been established as the major source of funding for the Foundation. Funds raised will continue to support the organizations and the causes that were fortunate enough to have Jerry as their champion. Please help us continue Jerry's legacy of providing opportunities for the youth of Secaucus and for giving back to his community.
