

HOW TO RETURN YOUR BALLOT (Script)

Once you've completed your ballot, signed the certificate and sealed the envelope there are 4 ways to return your ballot:

You can return your ballot by mail. Your mailing envelope is prepaid.

You can drop off your ballot at any time at any of the red and blue Official Election Ballot Drop Boxes located throughout Hudson County. The VOTE2020.HCNJ.US website features a tool that will give you driving or walking directions to the nearest drop box location.

*(**Municipalities can emphasize that their drop box is located at their city hall/municipal building**)*

You can hand deliver the ballot to the Hudson County Board of Elections at 257 Cornelison Avenue in Jersey City. You **MUST** wear a mask to enter the building. Follow the red arrows to the Board of Elections Office. Don't forget to bring a valid New Jersey ID that **matches** your ballot address.

Lastly, you can bring your ballot to your polling place on election day. Remember: only you, the voter, can bring your ballot to your polling place.

No matter how you return your ballot make sure it's returned no later than 8:00 PM on November 3rd. Your VOTE counts!
