Please note that this certificate is not required for all businesses in New Jersey. It is required only for those doing business with the public sector and with the casino service industry.

You may check the online registration inquiry to determine if the business is already registered. If you have not registered but are required to have this certificate, you will need to complete Form NJ-REG. Representatives of the Division's Customer Contact Center activity are available to assist in the registration process. Call 609.292.9292.

Filing Form NJ-REG

You may submit Form NJ-REG online, but please review the following before doing so:

- Any domestic or foreign **corporation, limited partnership, limited liability company or limited liability partnership** that is contracting with public agencies in New Jersey and/or that has tax nexus in New Jersey must obtain legal authority to operate in this State **prior to submitting Form NJ-REG**. Generally, this is accomplished by filing a Certificate of Incorporation or Formation with the Division. You may wish to visit the getting registered page for more information on this topic.
- **Individuals or Unincorporated Construction Contractors** with no business tax or employer obligations may register using Form Reg-A instead of Form NJ-REG in order to obtain the Business Registration Certificate. Individuals who have created and are operating as a business entity (e.g. LLC) may not use Form REG-A.
- **Non-profit organizations** may be required to register for tax purposes, but are not subject to the proof of registration requirement when contracting with public agencies in this state.

Public Contracts

When seeking a public contract, an affirmative action report (Form AA-302) will also be required. The Certificate of Registration may not be used as evidence of compliance with the affirmative action requirements and submitted in lieu of Form AA-302. Both forms will be required. The Division of Purchase and Property's, Contract Compliance and Audit Unit provides guidelines for businesses awarded public contracts. The Form AA-302 may be electronically submitted via online submission or manually at In addition, answers to frequently asked questions are provided by the Division of Local Government Services. While designed for local government contracting, the FAQ page contains guidance that it is applicable to most New Jersey government procurement activities.
