TOWN OF SECAUCUS ENTITLED "CONSTRUCTION CODES, UNIFORM"  
TO UPDATE CCO PROVISIONS**

**WHEREAS**, the Mayor and Council recognize that the safety of all residents and the protection of human life, buildings and structures is of great concern and addresses inspections and Certificates of Continued Occupancy through the Town of Secaucus' Construction Department in the Municipal Code, Chapter 64; and

**NOW, THEREFORE, BE IT ORDAINED**, by the Mayor and Council of the Town of Secaucus, County of Hudson, State of New Jersey, as follows:

1. Chapter 64 is hereby amended and supplemented to read as follows: (deletions are indicated by ~~crossouts~~; additions are indicated in **bold**):

§ 64-6. **Sale/Rental Certification** ~~Certificates of continued occupancy~~ for residential dwelling units.

- A. Certificate required for selling, leasing or renting of residential dwelling units. Effective 30 days after adoption of this section, no premises or portion of any one-family, two-family, or multi-family dwelling unit used for residential purposes, whether in a residential zone, or in a different zone by reason of being a nonconforming use, shall be sold and thereafter occupied by a new tenant or owner, without the appropriate application for and issuance of a **sale/rental certification certificate of continued occupancy**.

Said premises shall still make appropriate application for and obtain issuance of a **sale/rental certification certificate** ~~of continued occupancy~~ for any change in tenancy or ownership for the use established.

...

§ 64-7. **Sale/Rental Certification** ~~Certificates of continued occupancy~~ for commercial or industrial property.

A. Certificate required for selling of commercial or industrial property. B. Application for certificate; inspection; issuance. The owner of the premises about to be newly occupied, or their respective agents, shall apply to the Construction Official for a **sale/rental certification certificate** ~~of continued occupancy~~ and shall

supply, as necessary, information on said application of all facts relating to the nature of the business, occupation or industry, the manufacturing or other processes involved and the nature of all materials stored on the premises as part of, or pertinent to, said business, occupation, or use. Upon receipt of said application, the Construction Official or his agent shall review same and inspect the premises within 10 days to determine whether such premises complies with the local zoning and planning laws.
