Did you know? The word March comes from Latin Martius. This was the first month of the Roman calendar and was named after Mars, the god of war. March was the beginning of our calendar year. We changed to the "New Style" or Gregorian calendar in 1752, and it is only since then when the year began on 1st January. Birthstone: Aquamarine is considered a symbol of Faithfulness, Courage, and Friendship.

HAPPY ST. PATRICK'S DAY!
