

## Vaccination POD Closing

The last day of the Secaucus Vaccination Clinic is June 27, 2022, Since December 2020, the clinic has administered over 13,000 doses, 125 clinic days, and countless hours of planning, reviewing, and refining the process. We are glad we were able to participate in the process of keeping residents healthy and safe.

If you or someone you know needs a pediatric or adult first, second or booster dose, please contact your pediatrician or doctor's office or another clinic convenient to you. You may also visit:
