RISK AWARENESS AND EDUCATION

We have seen recent news stories about malicious attempts to convince customers to send invoice payments to fraudulent bank accounts. We value our relationship with you and want to provide you with information to help prevent such an incident.

First, we will never send you only an email a request to wire or transfer funds to a different bank account. Any request to change payment instructions will be communicated in both our email and on our invoice. Our emails will only come from a .daida.com domain.

Second, if you receive an email from us that seems suspicious, please do not hesitate to call us at (866) 696-7699 to confirm that the email is legitimate. This is our main telephone number, also published on our corporate website at www.daida.com. You should use this phone number to call, not the phone number from the suspicious email, as attackers sometimes change that information and route calls to a different person.

If you want to learn more about this type of scheme, the FBI has published several alerts over the past few years about business email. These alerts can be found at <https://www.ic3.gov/Home/ConsumerAlerts>.

If you have any questions or concerns, please do not hesitate to contact us at (866) 696-7699 or accounts-receivable@daida.com.
